

# The Center of a Complete Ion Communicating Home Comfort System

Your Tempstar dealer will recommend a system that is best suited to meet your home-comfort needs in your local weather environment.

Optional smart sensor<sup>1</sup>

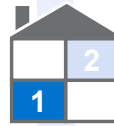

## Cleaner Air

A whole-home air purifier can filter select airborne particles from indoor air. UV lights prohibit microbial growth on the surface of the indoor coil. Include both to enjoy cleaner indoor air and enhanced system performance.

## Dehumidifier

Helps remove excess moisture from the air circulating throughout the home.

## Zoning

Sets different temperatures in different areas of your home to maximize comfort – with up to eight different zones.<sup>1</sup>

## Humidifier

Enhances comfort by replenishing moisture to dry indoor air.

## Furnace

Provides reliable heating for exceptional comfort and potential energy savings.

## Air Conditioner/Heat Pump

Provides efficient cooling or cooling/heating for exceptional comfort and potential energy savings.

<sup>1</sup> Zoning system and smart sensor sold separately. The smart sensor only works with the zoning system.  
<sup>2</sup> See No Hassle Replacement limited warranty certificate for complete details and exclusions.  
<sup>3</sup> Timely registration required for 10-year parts limited warranty. Limited warranty period is five years for parts if not registered within 90 days of installation except in jurisdictions where warranty benefits cannot be conditioned upon registration. Please see warranty certificate for further details and restrictions.
